

# COSCO 6 foot Signature Series Step Ladder Type 1A (300 pound weight capacity)

Model: 2061AABLKE

The Signature Series Premium 6 foot Aluminum Step Ladder features a lightweight aluminum design and provides a safe, larger, work space with a large platform top step. Featuring a patented aluminum boxed frame design and two project trays to hold your tools right where you need them. It is the perfect ladder for all your DIY needs. From a minor paint job to a total remodel this 6 foot ladder has your height and accessory needs covered! Life is a story: a collection of moments, told one memory at a time, shared with people we love. And for over 80 years, COSCO has been proud to be part of that story, offering products that improve and simplify your everyday life. Whether you are moving, painting, redecorating, hosting guests, or simply relaxing outdoors, we have you covered. As life unfolds, we will continue to deliver products with practical and innovative designs. It's our promise to you. COSCO. Smart. By Design.
