

30-DAY LIMITED WARRANTY

Enclume cutting and carving boards are covered by a 30-day Limited Warranty. This covers manufacturer defects and workmanship. We would like to recommend that you follow the care instructions for your wood product, including washing gently with warm, soapy water and allowing to air dry. Never place in an oven, freezer, or dishwasher. Apply a light coat of food-grade mineral oil at least once a month using a disposable cloth or paper towel. Let dry and wipe off any excess oil.
