GREAT FOR REMOVING:

- Sticker Residue
- Tar & Road Grime**
- Ink & Marker
- Bugs & Tree Sap**

FOR USE ON THESE SURFACES: Baseboards, metals, glass, brick, wood, concrete, grout, fiberglass, hand tools and most automotive surfaces. Also safe on fully cured varnished and oil-base painted surfaces.

DIRECTIONS: Always use safety goggles. People with sensitive skin should use solvent resistant gloves. Apply with a cloth, then blot or rub lightly until spot is removed. Do not apply to floors or spread this product over surface areas greater than 1 sq. foot because fire and health safety risks will increase dramatically. You may need to re wax some surfaces to renew gloss.

CAUTION: Always test on an inconspicuous area first, as every hard surface is different. Damages many plastics, worn vinyl floors, some automotive paints, and some carpets.

IMPORTANT: Carefully read all directions, notes and cautions prior to use. Only use this product as directed on the label.

STORAGE: Do not use or store this product near any source of heat or open flame, furnace areas, pilot lights, stoves, etc. Keep it in a cool, dry place. Keep container closed when not in use. Do not reuse this container.
